MAYOR'S COLUMN

By R. A. G.

If many of my readers are as I am in regard to reading legal notices and if their minds are by no means set on the subject, then those which pertain to town business, they will be fairly dull reading and one may be inclined to disregard the complete notification. As this column was originated by the Gazette to help keep our citizens up to date on the town's affairs and operations I will tonight give a short resume of the important matters which are advertised in tonight's paper and will mention over one quarter million dollars expenditures.

WATER RESERVATION - \$80,000.

Our present storage capacity is completely inadequate and a hot dry summer could possibly cause some hardship in a water shortage. Fire protection is also slightly less than what the engineers recommend for storage capacity. The new storage tank or reservoir to be constructed will be of the same type which we already have. The capacity is now 1,000,000 gallons.

UNIFORMS - \$10,000 - \$20,000.

The total cost of the uniforms is estimated at \$20,000. However due to the fact that the uniforms will be purchased in 1967, the total cost will be \$20,000. The uniforms will be purchased in 1967. The uniforms will be purchased in 1967. The uniforms will be purchased in 1967.

MACHINERY AND EQUIPMENT - \$27,000.

This department has a five-year period (the items above with twenty-five) items equipment required in the Public Works and Parks Departments such as two small trucks, a new snow blower, front end loader, backhoe, air-compressor and a lubrication unit for the garage.

SEATING - DINING AND DRESSING ROOM - \$10,000.

The new restaurant is being a new outdoor dining and dressing room for the only hotel in town which has no outdoor dining facilities. The children's playground will be located near the new road and highway interchange.

LOCAL IMPROVEMENTS - \$1,000.

This twenty-year debenture will pay for sidewalks and walkways between certain areas of town which are well travelled and are presently in an unfinished state.

MEDIAN STRIP PAVING - \$2,500.

On the highway to Edmonton you will note that the median strip is graded at least it is supposed to be graded. The portion of the highway which falls within the town is a town responsibility and as such we are supposed to keep it maintained. It has been our experience that it is more expensive to maintain a grass than it would be to have the centre strip paved and thus this twenty-year debenture.

opening of the 1966 Summer Playgrounds in Lions Park.

BASEBALL

One of the St. Albert baseball teams sponsored by the St. Albert Fire Dept., was taken on a 12

game tour to Edmonton, Hinton and Jasper. Two games were played and the rest were raised out. Edmonton won the first game 7 - 2 and St. Albert won the second game 5 - 1. Edmonton will be arriving in St. Albert for a return match on July 16 - 17. Hinton will also be down on July 19 - 20th to make up for lost games.

The boys and coach, Armand LaCoastere, would like to thank the St. Albert Fire Department for their donation, and the parents for their co-operation. Without them this tour would have been impossible.

They would also like to thank the Edmonton team for the wonderful reception they received.

The official opening of the 1966 Mission Park Summer Playground was done by Mayor Richard Fowler. The kids are seriously waiting to enter their play-area.

STREET IMPROVEMENTS

REZ, 900.
A normal maintenance item over a five year period to repave the streets on Mill Drive, Mount Royal Drive, Mission Avenue, Ball Ave., and Sunset Blvd.
SEWAGE LAGOON - \$10,000

For the past two years we have been using approximately 100% of the capacity of our Sewage Lagoon. Due to the high level of the river last year we did not encounter any difficulties however it is a situation which requires immediate correction and that this Twenty-Five Ditch.

With the new lagoon and water storage facilities these two utilities should handle a considerable amount of expansion which we already have with the new Yorkville Home and the forthcoming hospital. These two institutions alone will by no means take up all the extra capacity and we should now be ready for a considerable housing programme.

With the completion of the Capital Works Programme for this year our Town should be a better place to live and you should be able to be a little more proud of it than you are now.

In fairness it should be mentioned that in arriving at the Capital Works Budget this year our Council have made every attempt to keep the repayment at such a level that no increase in the Mill Rate will be necessary next year to meet the payments.

Special Thanks

The Aldermen of St. Albert like to give thanks to all those who participated in their dance on June 20th.

Special thanks are extended to the parents of the Aldermen, Councilors, Sponsors and all others who were involved. We would like to conclude that with the help of all who attended, our dance became a great success socially. In the future we hope to see more parents at our activities. We would like to also give thanks to those businesses who donated the door prizes:

St. Albert Jewellers (Jewellery);
Lafayette Jewellers (Jewellery);
St. Albert Pharmacy (2 prizes);
Mrs. Vaupotic (Beauty Counsellor);
College.

THANK YOU - Publicity Chairman, Elaine Ogilvie.

Retrospect and Prospect

St. Albert Evangelical Lutheran a congregation of the American Lutheran Church, reports a steady growth of interest and enthusiasm of numerous families to St. Albert. At the recent Church Convention of the Evangelical Lutheran Church of Canada the Regional Director, Rev. Curtis Saire, listed St. Albert as one of the most potential and fastest growing New Mission Churches that have been started in Canada. He looks forward to this congregation going off subsidy early this fall, to that time in the initial stages the offerings and attendance have far exceeded expectations.

The encouraging truth about St. Albert Evangelical Lutheran Church is the open and happy way in which the many interested and enthused women have accepted and entered into the worship and work of this New Mission, and the joy which they evidence as they see

the daily progress of the New Church rising steadily and surely on the hill. The pastor, Rev. R. O. Olson, and his family, are thankful and hopeful for the work here, and wish to at this stage express their heartfelt thanks to the many, who have entered into the anticipation of this New work here in St. Albert.

The New Church under construction by Dunsford Construction Ltd., of Edmonton, architects Denals & Freds O'Connor & Maitlis

is progressing along according to schedule. Plans are that the New Church is to be ready for occupancy by the latter part of August and arrangements are already underway for the various services to be held as the congregation is formerly organized, adopts a constitution, puts in its first official Board, incorporates as a body of persons, and also thus becomes an established congregation of the beautiful and potentially growing Town of St. Albert.

Recently the Regional Director met and the Steering Committee, an official body that operates with the congregation is organized, was formally accepted. They are: THE EXECUTIVE: Pres., Armand Lushack; Sec., William Yost; Treasurer, Willard Pederson; Financial Sec., Douglas Carlin; and the four Committees: Reach Committee, (Evangelism, Social Service, and Missions) Ben Wilhelm, William Yost, and Harry Pederson; Youth Committee (Parish Education, Higher Education, and Youth) Ray Field, Willard Pederson, and Lowell Thompson; the French Committee (Worship, Church Music, and Publications) Armand Lushack, Stan Johnson, and Don Webb; and Property Committee, (Sanitary Janitor, Property Management and Stewardship)

Adult Sunday, Peter Degeard, and William Schlenker; and Stanley Johnson serving under the French Committee as Head Usher, Lowell Thompson as Superintendent of Sunday School.

The Steering Committee and Working Committees are presently arranging for future meetings that will prove very significant to the St. Albert Evangelical Lutheran Church; Orientation Meeting with the Regional Director on Friday evening, Sept. 8th, the Organization of the Congregation, Corner Stone Laying, Installation services by the District President of the American Lutheran Church on Sunday, Sept. 11th, and the Dedication of the New Church by the District President on Sunday afternoon Oct. 2nd, with its special Musical Service and Program in the Evening. The Edmonton-Camrose Conference of the Evangelical Lutheran Church is to have its fall Convention in the New Church Friday through Saturday, September 16th, to Oct. 1st, when pastors and delegates of most of Alberta will be privileged to view the beauty, sense the friendship and breathe in deeply of the air and atmosphere of our fair Town of St. Albert.

Beginning September 15th, the Creative Schools Society will begin to have its daily Kindergarten-Nursery School in the New Church, with its beautiful surroundings and its sparkling new facilities. The Auditorium in which the school

sessions will be held on the first floor if you have a youngster who should be attending Kindergarten or Nursery. The one requirement laid down by the Board is that these classes for pre-school children be so carried out that the best possible foundation is laid when the children begin school.

ANGLICAN CHURCH

IN JULY AND AUGUST THE SERVICES WILL BE AT 10:00 A.M. A NURSERY IS PROVIDED. EMERGENCY MINISTRATIONS.

During the Rector's holiday in July persons having urgent need of the ministrations of the Church should call the Rev. R. Barnes of St. Philip's Church (435-4087), or Christ Church Parish office (443-1118). The wardens and parish Lay Readers have the details.

Over the past year the Local Association has provided money to put our Leaders in the new style of uniform, paid for training of our Leaders, started a new Ranger Crew and supplied Girl Guide Campuses with new Flaps. However we find that we are now

short of funds to help financially with our Summer camps. We have planned a bake sale on August 12th, at Sobeys store, and hope that you all get behind this money raising project. \$8,115.23 AS FIRST PAYMENT !

TOWN RECEIVED \$8,115.23 FROM ST. ALBERT CURLING CLUB

Last Monday evening a pleasantly formal ceremony was observed in Council Chambers, Miss Barbara Arnold and Mr. Don Greene, executives of the St. Albert Curling Club, presented Mayor Fowler and Council with a Curling Club cheque in payment of the first year's rent of the

Town Rink.

The efforts of the curling community, Town Councilors and many interested citizens through last winter is providing good curling and the many social and special fund-raising events and in creating a fine curling atmosphere for St. Albert all combined to allow the Club to "break even" for the first time. All operating costs of the season have been paid.

Next season is nearly here! The Club Executive is planning for bigger and better activities of all kinds. A good second year of operation, including some improvements in the rink and reduction of the Club's other debt is in the making. With good ice, good curling and good fellowship the St. Albert Curling Club promises to be the most active group in Town this winter.
